

CYBER HEROES 2.0

INTERNATIONAL
TRAINING
COURSE

1ST STAGE: Czech Republic

(September 10-18, 2025)

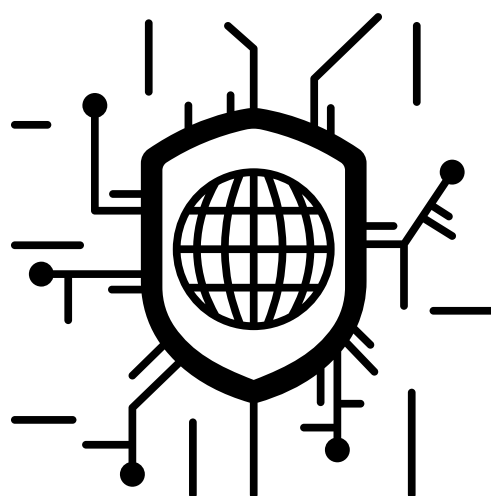

2ND STAGE: Azerbaijan

(November 22-30, 2025)

ABOUT THE PROJECT

In today's digital age, cybersecurity is more important than ever, as our daily lives are increasingly connected to the internet through phones, computers, and social media. Young people, who spend much of their time online, are particularly vulnerable to risks like scams and other cyber threats. While technology evolves quickly, the basic principles of staying safe online remain constant, making it essential to teach these skills early on.

This Training Course focuses on equipping youth workers with valuable knowledge about cybersecurity and advancing their digital skills. Using non-formal education methods and gamification, it also supports their lifelong learning journey and empowers them to share these skills with their communities.

PROFILE OF PARTICIPANTS

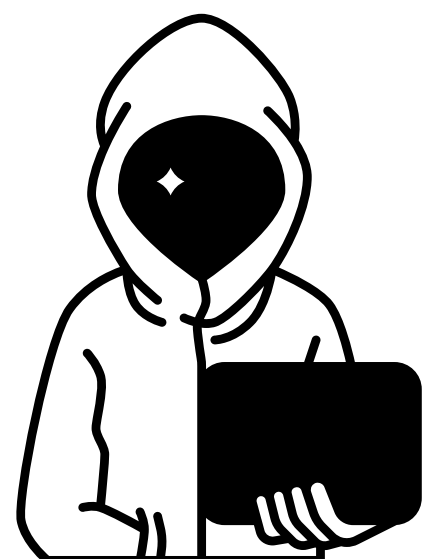

We are looking forward to participants who:

- Are active youth workers or planning to work with youth.
- **Committed to attend both stages**, participate actively during the whole duration of the project
- Have experience with student projects, voluntary organizations, or working with computers and technologies
- Are interested in topics like cybersecurity, social engineering, or IT
- Have a communicative level of English
- Are motivated to promote cybersecurity in their communities
- Aged 18–35

ACCOMMODATION

1ST STAGE

The 1st stage of the project will take place in the Czech Republic in Kubasův mlýn, located in a small village in the foothills of the Orlické Mountains.

2ND STAGE

The 2nd stage of the project will take place in Baku, Azerbaijan in Royal Hotel. We will share more information after the 1st stage.

INTERCULTURAL EVENING

There will be one intercultural evening during the project where each national group will have the opportunity to present their country. You can share your typical food, snacks, and drinks with others and showcase your culture through songs, traditional dances, or by explaining your customs and traditions. This will be a great chance to connect with everyone and experience a variety of cultures in one evening!

PARTNER ORGANIZATIONS

FAKESCAPE

We teach media literacy. Interactively. Using game-based activities.

We are teaching students and public how to reveal fake news, think critically, and how to verify the information via gamified workshops. We have also workshops on cyber security and we developed card game focused on journalism and media. Our goal is to teach in a more entertaining way using games and non formal education methods.

GENESIS

Genesis is a Czech non-governmental organization with a long tradition and simple philosophy.

TO KNOW IS TO GROW.

Genesis provides individual and group trainings. At Genesis, we support all efforts to learn because the more we experience, the better off we all become. Our goal is to help individuals and companies to receive training that is not only great but also socially responsible. We believe that innovation in education helps employees, employers, and society as a whole to sustainably grow and develop.

WORD FROM TRAINERS

**As a trainer and developer
I am excited to share my
knowledge about
gamification of cyber
security education. See
you in the Czech Republic!**

-TEREZA

**Cyber security is all about
staying ahead of threats.
I'm excited to share
practical insights to help
you do just that. See you in
the Czech Republic!**
